Chris,  
Should we be charging our time that we are at the site to the site account? We don't have it on our People Plus. Would you like me to ask to have it added to our accounts? Thank you.

**Subject:** visit to FJ Doyle site in Leonard Texas

Anish, Bray, David and Matt – Gary and Paige are working on a removal project in Leonard, Texas, approximately 70 miles from the Dallas Regional office. Chris and I talked with Gary and Paige about you going out to spend some time shadowing them at the site for 6-7 hours a day December 12- 14, 17-19 and 21. It would be best if 2 people go each day so we don't have too many extra people on site.  
  
Matt and David are checking into the availability of vehicles so you can commute together to the site. Please coordinate your schedules. Please coordinate with Gary and Paige to ensure there have not been changes in their site work due to the weather.
